Mr. Rocky Whatule,

Thank you so much for your comedic Keynote motivational Speech. We thoroughly enjoyed you bringing your humor and unique perspective to encourage our teams. We are excited to have you a part of the Boeing family and look forward to the next Team Building Event.

Your professionalism and unique way of connecting to the teams was truly one of a kind. You are a captivating presenter, anyone would be blessed and enriched to have you perform or speak for them or their company.

Again, thank you from the bottom of my heart for being a part of our Boeing family, and helping our project teams take their productivity to the Next Level. We are enthusiastic to see you what your expertise will bring to our other Regions as well.

Kind Regards,
