RE: Rocky Whatule

To Whom It May Concern:

It is with great pleasure that I write a recommendation for Rocky Whatule. He is one of those rare people, who has had their comedy and charisma refined with the Gospel, and a love for Jesus. He is an engaging speaker who knows how to hit a point home and make it stick with the audience!

He's relatable, personable, and I have had the personal privilege of having him bless my students with the message of hope. My students still remember the time when Rocky came to visit and preach.

So, if you're looking for a solid speaker, or just good clean godly entertainment, Rocky should be the first on your list.
